## Test 6 Listening • Part 2

### 07 Questions 9 – 18

You will hear a girl called Sophie giving a presentation to her class about sharks. For questions 9 – 18, complete the sentences.

### Sophie's shark project

Sophie chose the project because her  9 suggested it.

Sophie found most of her information on the website  10 .com.

Sophie says that sharks have been around for  11 years.

Sophie was surprised to learn that sharks occasionally eat  12

The least dangerous sharks are the  13 ones.

Sophie says her favourite shark is the  14 shark.

Sophie says sharks only attack about  15 times a year.

Sophie also read an article about sharks in a magazine called  16

The article said that it is now illegal to kill sharks in a large region in the  17

Sharks are in particular danger because they become  18 quite slowly.

**08** Questions 19 – 23

You will hear five students talking about a music album. For questions 19 – 23, choose from the list (A – F) which of the opinions each speaker expresses. Use each letter only once. There is one extra letter which you do not need to use.

A I enjoy the songs on this album because the singers' voices are so unusual.

Speaker 1  19

B The words of the songs on this album mean more to me than the tunes.

Speaker 2  20

C I prefer the songs on the album which the band itself wrote.

Speaker 3  21

D I love this album because the songs are perfect to dance to.

Speaker 4  22

E The songs on this album come from a show I really enjoyed.

Speaker 5  23

F This album is better than the last one released by these singers.

**09** Questions 24 – 30

You will hear an interview with an actor called Martin Raleigh, who plays the character of Tigerman in a new superhero film. For questions 24 – 30, choose the best answer (A, B or C).

24 What does Martin say about his interest in superhero films as a child?

- A He was more fascinated by them than others in his family.
- B He wanted to find out how the effects were created.
- C He found them less interesting than sport.

25 Martin says that the Tigerman character he plays

- A has different qualities in the book than the movie.
- B enjoys popularity with audiences of all ages.
- C is unusually complicated for a movie superhero.

26 How does Martin say he helped develop the original script?

- A He introduced more humour into it.
- B He heightened the tension in some of the scenes.
- C He suggested a new character for one scene.

27 What does Martin say is the hardest part of playing his superhero character?

- A adapting to the role as he is not a naturally brave person
- B learning how to do complex gymnastic tricks
- C becoming fit enough to play the role

28 Martin says that he most enjoyed growing up in Canada because

- A he had a lot of cousins of a similar age there.
- B he had contact with children from many other countries.
- C he had the opportunity to do outdoor pursuits.

29 How did Martin say he got into acting?

- A He was inspired by a couple of films he saw.
- B He got involved through a job in a theatre company.
- C He enjoyed acting in plays as a student.

30 Martin says that, if he had not become an actor, he

- A could have worked for his brother's business.
- B would probably have become a teacher.
- C might well have gone into the police.
